FIFTH SUNDAY OF EASTER**

*"The stone which the builders rejected has become the cornerstone."*

*1 PETER 2:7*

Every person has been given gifts from the Holy Spirit. These are called "charisms" and they are used to build God's kingdom of earth. While many people are able to recognize their natural talents and abilities, they may be unsure of their charisms. If you know someone who is struggling for a direction in life, give them a little encouragement. Help them discern their charisms and how God is calling them to use them. Remember - no gift is too small or insignificant in God's salvation plan.

## PETTING ZOO

QAS Preschool enjoyed visiting the petting zoo on Friday, April 28th. This was made possible by the generous special activity donation from our Home and School Association to each grade level. This event is the preschool's celebration after learning throughout the year of all the amazing things God has made.

**Annual Parish Financial Statement for Queen of All Saints Parish, 2021 - 2022**

The QAS Finance Council would like to thank our parishioners, ministries and organizations for the generous contributions which supported the parish and school this fiscal year ending in 2022. We are extremely grateful for your support and the opportunity to act as good stewards of your generous contributions.

As part of our annual budgeting process, which occurs between January and May, we meet with the Pastor, Associate Pastor, and school principal to develop a balanced budget with revenue matching expenses. Then we meet on a monthly basis to review expense trends and make adjustments if revenue is not as predicted. Through your donations, we were able to cover all expenses and conclude the fiscal year with a small surplus. In this past fiscal year, your offertory donations were approximately \$114,000 above our projections, allowing a net surplus of \$51,099 not including non-recurring items.

For non-recurring items, similar to last year, we had some one-time revenue and expenses, including our final check from the Beyond Sunday/*Growing In Christ!* pledges, EANS ACT revenue and expenses and Bad Debt (unpaid tuition).

Here are some of the highlights from the last fiscal year:

1. Offertory collections rebounded from the previous year's decrease, but still approximately \$47,000 less than our peak in 2019. We also raised \$61,000 from the parish picnic which did not occur the previous year. Overall, parish revenues increased by \$238,143 from \$3,318,087 from the previous year to \$3,556,230.
2. Compared to the prior year, total parish expenses increased by \$402,914 from \$3,102,217 to \$3,505,131 last year. Increases are primarily due to:
  - a. Increasing personnel costs of \$185,018 for additional teachers, reading specialists and school programs.
  - b. Nearly \$28,000 cost increase for school supplies
  - c. Over \$67,000 increase in higher-than-expected utility bills for the parish
  - d. Capital expenditures costs of \$80,425 for several new classroom HVAC units and new roof over part of the 1-story school building. These items were on our *Growing In Christ!* list and were paid from the Beyond Sunday Capital Improvement funds.

Excluding capital expenditure costs, the parish subsidy for the day school was \$268,000, which is nearly the same as the previous year. The parish subsidy in the current fiscal year is expected to be \$230,000.

3. We had additional non-recurring costs again this past fiscal year. As a part of the America Rescue Plan, Emergency Assistance for Non-Public Schools (EANS) was established to help cover and defray the costs of COVID supplies, provide technology to establish and deliver remote learning and provide instructional programs and practices to remediate learning gaps as a result of shutdowns. Through the State of Missouri, \$277,242 was allocated to QAS School for these costs. To date, QAS School has been reimbursed \$218,216 for these costs with another \$59,026 to be paid by the State directly to contractors and service providers. These payments and reimbursements are a one-time only funding.

4. We received our final Beyond Sunday/*Growing In Christ!* progress payment last year with a final transfer of \$34,566. This increases our available Beyond Sunday funds to \$827,099. As you know, we have a freeze on spending this money except for required maintenance items due to the All Things New Initiative. Now that we are going to remain open, we will complete our list of planned capital projects such as:
  - a. Replace the pews and flooring inside the church (\$275,000)
  - b. Continued replacement of the campus HVAC units (\$300,000)
  - c. Roof replacement on middle school 2-story building (\$130,000)
  - d. Boiler replacements, fire alarm panel replacement, parking lot repairs, etc.

As we monitor our current year, we see additional headwinds negatively affecting our financial health. Our initial 2022-2023 budget (far right side of the spreadsheet), for the first time in 10+ years, does not show balanced revenue and expenses. This is primarily driven by increased expenses. As a result, we are tightly managing our expenses and continue to monitor trends in revenue and expenses. Through these efforts, and a slight increase in donations, we have been able to sustain a balanced budget so far this year. This is something we continue to watch closely.

As we look to our next fiscal year starting July 1, 2023, the Archdiocese has decreed that all teachers should receive a raise of \$5,000. Other employees, like teacher aides, should receive an increase in pay of 4.2%. Health insurance for our employees will be increased by 3.8% in the next fiscal year. For QAS, these increases will add \$185,000 to our operating expenses. In the past, when the Finance Council set tuition, we would base the tuition increase on the amount of increase the teachers were receiving in pay. So, if the Archdiocese mandated a 3% raise, tuition also went up 3%. This year though, the teachers are getting a well-deserved, more substantial increase, in some cases as high as 15%. These costs cannot be entirely covered by tuition increases, despite a 5.5% tuition increase for the next school year. That increase will only garner an additional \$83,000 in revenue, which leaves us over \$100,000 short of a balanced budget. The parish will have to cover the extra expense and we appeal to the parishioners to help.

We continue to encourage our parishioners to sign up for electronic giving. For donors using the Faith Direct or WeShare websites, please remember to update your credit card information when your credit card expires or changes. Automatic donations will stop unless the new credit card information is entered into the system. If you have any questions, please contact Faith Direct at 866-507-8757 or WeShare at 877-316-0260.

Additional details are available if desired. If you have any questions or comments, please feel free to contact the parish office who can direct you to a member of the Finance Council. Thank you again for your ongoing support of our parish.

<p>Note 1. SLAF: The Archdiocese requires each parish to deposit its excess funds each year to the Saint Louis Archdiocesan Fund. Excess funds are those that are not needed for a parish's normal operating needs. The Archdiocese holds a portion of all parish deposits in cash and invests the rest. Each parish account is then credited with interest and dividends that are earned on the assets plus credited or debited with its portion of the increase or decrease in the market value of the investments. Parishes can apply for loans from the SLAF to cover the cost of extraordinary expenses and capital improvements such as new buildings, etc. QAS used a SLAF loan to pay for the mold remediation efforts several years ago. The SLAF is a separate charitable trust that is managed by an independent Board of Trustees (13 trustees) and an Investment Committee.</p>						
<p>Note 2. Deferred Revenue: Day school tuition money is held by the parish to pay teacher and staff salaries when those salaries are earned, plus the operating expenses of our school, for the coming school year.</p>

Seniors gathered for April's Heritage Luncheon in the church hall. A former QAS parishioner, Marilyn Lane, provided the entertainment. She is a retired St. Louis County Library (Weber Road Branch) Storyteller. Good food, good times!
