12TH SUNDAY IN ORDINARY TIME**

*"Everyone who acknowledges me before others I will acknowledge before my heavenly Father."* **MATTHEW 10:32**

Would others know that you are Catholic by the way you act and speak? Do you share your Catholic faith with others? Do you defend your Catholic faith when the situation arises or do you remain silent? Do you pray in public before meals? Pray for the strength and courage to be a joyful witness of our Catholic faith when the opportunity presents itself. Let us become the radiant light and bold witness that we are called to be!

## FROM OUR PASTOR

Dear Parishioners,

Like so many of you, I was excited always when my father would take me to a major league baseball game. I'm old enough to have been taken to Busch Stadium I, or Sportsman's Park, before it was closed in 1966. I remember attending a game there, probably in 1965, when the Cardinals were playing the Los Angeles Dodgers. Not far from our seats in the upper deck along the third base line were about twenty Black people, all rooting for the Dodgers. I was impressed that this group of people had come halfway across the country to root for their Dodgers and I shared my admiration with my father. "Oh," he said, "they're probably not from Los Angeles, they're probably from here." "Why," I wondered aloud, "would they cheer for the Dodgers instead of the Cardinals?" My dad answered, "Because of Jackie Robinson." He then explained to me that Jackie had been the first Black player in the Majors, that the Dodgers were the first team to promote a Black player to the big leagues, and that many Black people across America became Dodger fans because of it, including those sitting near us that night. Made sense to me, I thought, why wouldn't they pull for the Dodgers.

That was then. Now, I have a reason to root against the Dodgers. Vehemently root against them, hope they *lose every game* type of root against them. For as you probably know, it was the Dodgers who recently gave an award to the Sisters of Perpetual Indulgence, complimenting this abhorrent group of men for their charitable acts in the Los Angeles community. On the Dodgers part, it was a very anti-Catholic thing to do.

The Sisters of Perpetual Indulgence is a group of men, mostly gay, who perform at various activities while dressed as Catholic nuns, during which they mock our Savior, our Blessed Mother, our Church, and our faith. They give themselves disgusting names, like Sister Guard N. O'Pansies, Sister Gaia Love, Sister Hellenia Handbasket, and other names too awful to print here. They think they're clever, cute, funny, progressive. Yet they insult the genuine and caring work done by real Religious Sisters. They think that just because they raise money for a charitable cause that it's okay to slander the beautiful history of dedicated nuns, women who didn't mock or insult, but who prayed, loved, and served. The Sisters of Perpetual Indulgence don't care about that, nor, apparently, do the Los Angeles Dodgers. You can pity both groups, and pray for both groups. But don't root for them. Hope they lose every game.

Sadly, this kind of behavior can be expected nowadays, especially in June, Pride Month. Heck, even within our Catholic Church there are those who cross a line, at least in my opinion, by having a Pride Mass. Now, our Church is very clear on its teachings about homosexuality, as enunciated in the Catechism of the Catholic Church (CCC 2357-59). Here the Church acknowledges that throughout history in a variety of ways people have been attracted to others of the same sex. Based on Sacred Scripture, however, and the inspiration of the Holy Spirit, the Church has always declared "that homosexual acts are intrinsically disordered. They are contrary to the natural law. They close the sexual act to the gift of life. They do not proceed from a genuine affective and sexual complimentary." (2357) These acts can never be approved.

It must be noted, though, that gay people "must be accepted with respect, compassion, and sensitivity. Every sign of unjust discrimination in their regard should be avoided. These persons are called to fulfill God's call in their lives and, if they are Christian, to unite to the sacrifice of the Lord's Cross the difficulties they may encounter..."(2358)

Anna-Katherine Howell has an inspiring take on this issue. She is a 31 year old gay woman who, she admits, "From my teen years up to my conversion, lived a horribly sinful life, including a great deal of promiscuity, an addiction to pornography, and same-sex marriage at age 26. Now, I celebrate my repentance, conversion, and sincere amendment of life through the grace of Our Lord - which never fails - for by that grace I am living a chaste and holy life as the Church clearly identifies in the Catechism." Howell continues and says that LGBTQ does not define her identity. "Our attraction is a thing we experience, not an identity we are defined by. It is the Father of Lies, the Accuser, who insists on calling us by our sins. Our loving Father in Heaven calls us by our names. We do not want to be identified by our disordered impulses or celebrate our past sins. This is what Pride Month does."

There is a group called Courage International ([www.couragerc.org](http://www.couragerc.org)) that supports those with same-sex attraction to lives of chastity and grace. Our obligation always is to pray for those in the LGBTQ community, their families, and even for those who would mock and insult us over this issue. Also, to root only for the Cardinals! May God bless all of you.

### **MISSIONARY DISCIPLESHIP - TRUST IN THE LORD**

Three times in the Gospel today, our Lord tells the disciples that they should not be afraid. This phrase and related variants occur in Scripture more than any other phrase. We all struggle with worrying and being fearful about many aspects of our lives, but Christ reminds us to trust in Him and His abundant love for us. We have been adopted as sons and daughters of God by the death and Resurrection of Christ. We can live a new life in hopeful confidence that God will provide for our needs and care for us as the loving Father who desires who desires "all men to be saved and to come to the knowledge of the truth" (1 Timothy 2:4).

**HUGE THANK YOU FROM FR. GARY WIESMANN**  
*DIOCESE OF MANDEVILLE, JAMAICA*

Thank You For Your Generosity! Fr. Gary Wiesmann sends us his warmest thanks for our parish's generous response to his appeal for the Diocese of Mandeville, Jamaica, made on June 10th-11th.

On behalf of the poor of the Diocese of Mandeville, I want to sincerely thank you for the generous response made to my appeal for assistance for our poor diocese. This gift helps us to evangelize those who have not yet come to know the Lord, provide for some of the basic needs of our poor, educate the young, house the destitute elderly in a dignified way and put a roof over the heads of families without a home. Truly, "...the Lord hears the cry of the poor" and has touched the hearts of your parish as they have so generously responded in the Lord's name. We are very grateful! Be assured of a continued remembrance in the prayers of the clergy, religious and the poor of the Diocese of Mandeville for you and your parish family.

**BALDACHINO AND MOSAICS CLEANING**

The Cathedral Basilica of St. Louis is having the Baldachino and the mosaics that surround the sanctuary cleaned. Colors that have not been seen for years are emerging from the layers of dust, and the cross that adorns the very top is free of cobwebs. Monsignor Henry Breier was featured on Channel 2 news this past week with the story of cleaning the stone and mosaics and the challenges associated with the project. One of the challenges was to find a piece of equipment that would elevate the workers to reach the 60 foot areas around the sanctuary without damaging the floors. The mosaics were installed in the cathedral from 1907 to 1988 and they are the main draw for visitors from across the world.

NATIONAL SHRINE OF OUR LADY OF THE SNOWS  
VISITORS CENTER*Journey to Nicaea: The Evolution of Christianity from Gospel to Creed*

Presenter: Mark Etling, PhD

Saturdays: July 1st, August 5th and September 2nd  
10:00 am - Noon

The first four centuries of the Christian era saw an incredible evolution – from a tiny movement in Israel to a vast, thriving institution in much of the Roman Empire. In its earliest days the Christian movement was a disorganized network of communities with no Bible, no central authority, and no unified system of beliefs. But by the year 400 the Church had adopted a universal statement of faith – the Nicene Creed. In this three-part series we will explore Christianity's historical and theological journey from Jerusalem to Nicaea.

ST. MARY'S DUNGEONS AND DRAGONS CLUB PRESENTS:

**INTRO TO TABLETOP ROLEPLAYING!**

HOSTED BY JOHN T. BOBBITT, INSTRUCTOR

LOCATION: ST. MARY'S SOUTH SIDE CATHOLIC HIGH SCHOOL

DATE AND TIME: JULY 10-14TH 8AM-11:30AM

FEE: \$100 PER CAMPER

Dungeons and Dragons (D&D) is a tabletop role-playing game that can provide numerous benefits to education. First and foremost, playing D&D can improve social skills and promote teamwork, as players must communicate, collaborate, and problem-solve together to achieve their goals. Additionally, D&D can enhance creativity, imagination, and storytelling abilities, as players create unique characters and develop their own narratives within the game world.

Playing D&D can also improve critical thinking and decision-making skills, as players must consider various options and consequences before taking action. The game can also provide opportunities to practice math and reading skills, as players use dice rolls and character sheets to track various statistics and abilities.

Furthermore, D&D can foster empathy and understanding, as players take on the roles of different characters with diverse backgrounds, abilities, and perspectives. This can help promote acceptance and tolerance of differences in real-life situations.

All campers get a FREE set of gaming dice!
