STEWARDSHIP

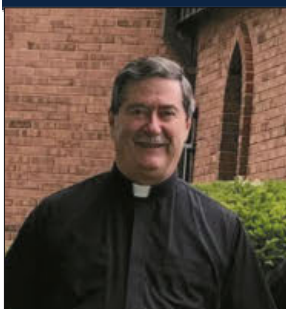

32ND SUNDAY IN ORDINARY TIME

“Therefore, stay awake, for you know neither the day nor the hour.”

- MATTHEW 25:13

Many of us have put off doing something because we think we are too busy. We've all said, "I'll do it later when I have time." Unfortunately, too many of us apply this attitude to our Faith. Jesus' call is urgent, in the here and now, in your current circumstances. How is God calling you to use your gifts today? Don't delay. None of us are guaranteed tomorrow.

FROM OUR PASTOR

CHURCH INTERIOR RENOVATION UPDATE

As many of you know, for years, Queen of All Saints Parish has been planning to replace the aging pews in church along with the flooring, paint the ceiling and to do some renovation work on other areas in the church. Msgr. Hambrough signed the contract for the construction of new pews back in the summer. The funding for this project has already been received through donations by the parishioners as part of the Archdiocesan Beyond Sunday campaign and our own QAS ***Growing in Christ!*** capital improvement contributions. We continue to use this restricted fund for all designated capital improvement projects such as the church and school HVAC upgrades, new roofs, parking lot renovations, etc. With the remaining funds, we will complete the renovations of the church and continue to replace HVAC systems on the school, as well as a few other minor designated improvements.

Over the last several months, a special committee was formed to work out the details of the project. They were tasked with selecting the style and color of the pews, the type of flooring and find the best company to do the work. Our pew committee is close to completing their work. The next step is to find the best time to install the flooring and pews. Once the work begins the church will not be available to us for eight to ten weeks. We would need to find another place to celebrate Masses on Sunday and during the week. The original plan was to begin the project in mid-February with the hope of completing it in time for Easter Sunday. But that does not seem feasible now because of the heavy use of the gym and school facilities. The current plan is to begin the project in early June, the day after the parish picnic. Once the renovation begins, we will celebrate Sunday Masses in the school cafeteria and weekday Masses in the church basement. I'm not sure what we will do for weddings or funerals during this time. I don't think anyone wants to get married or be buried from a cafeteria! (Although it would make it easier to flow from the funeral Mass right into the funeral luncheon....hmmm.). The cafeteria is ideal because with school being out for the Summer, we can set up the chairs and altar and leave them in place for the length of the project. Meetings could still be held during the week. This is where we stand now. Of course, plans can still change, and we will keep you updated.

-fr mike

Be the Light

There is a lot of talk in the Church today about evangelization and missionary discipleship, but what does that look like?

Thousands of priests, bishops, parish/diocesan leaders, lay catechists and ordinary Catholics from around the world will gather at the **Making Missionary Disciples Track** at SEEK24 to learn from experts and leaders in evangelization. Through talks, training and small groups, participants have the opportunity to develop the tools and skills of discipleship to be the light of Christ and transform their families, parishes and communities. **Join us!**
