STEWARDSHIP

TWENTY-THIRD SUNDAY IN ORDINARY TIME

“Did not God choose those who are poor in the world to be rich in faith and heirs of the kingdom that he promised to those who love him?”

- James 2:5

What is more important - being rich in faith or rich in possessions? Society tells us that possessions are most important. God teaches a different lesson. When we are rich in faith, we keep God first and experience true joy and peace. When we put possessions first, we soon realize we can never have enough and happiness is fleeting. When we put faith over possessions, we truly realize it is better to give than receive.

FROM OUR PASTOR

Welcome to Our New Seminarian

Kyle Demel, currently studying at Kenrick-Glennon seminary, has been assigned to work with us at Queen of All Saints parish during this upcoming school year. He will be working with Faith Formation, specifically helping to form small faith sharing groups and bible study groups. Please extend a warm welcome to Kyle as he begins his work this weekend. The following is a note from Kyle:

"Hello! My name is Kyle Demel, I am a seminarian entering my third year of theology at Kenrick-Glennon Seminary. I am studying for the Diocese of Wichita, and God-willing, I will be ordained a deacon this coming May and a priest in two years. I grew up in Wichita, and I have one older sister. Before entering seminary, I studied civil engineering at Kansas State University."

-Kyle Demel

I'm not sure what a "civil engineer" does so I asked Google. According to Google, "Civil engineers plan, design, and supervise the construction and maintenance of building and infrastructure projects. These projects may include facilities, bridges, roads, tunnels, and water and sewage systems." Hmm, he might be doing more than just forming Faith Sharing Groups here. We could always use a good bridge or tunnel. Maybe even an Adoration Chapel. WELCOME KYLE!

They listen, they pray, they learn the plight of the family and assist with substance and friendship with the goal of the family becoming self-sufficient

NEWS RELEASE

For Immediate Release

Missouri Catholic Conference Statement on Amendment 3

August 13, 2024, JEFFERSON CITY, MO - Amendment 3, which will appear on Missouri's November 2024 ballot, is an extreme constitutional amendment that legalizes abortion at any stage of pregnancy with no protections for the preborn child, even when the child is capable of feeling pain. The amendment would effectively repeal long-standing health and safety standards for women. These include basic health and safety requirements for clinics where abortions are performed, requiring that abortions be performed only by a physician, informed consent requirements, laws prohibiting public funding of abortion, and parental consent requirements before a minor's abortion.

The Missouri Catholic Conference will be working to inform the public about this deceptively worded amendment. We urge all Missourians of good will to stand for the health and safety of women and their preborn children and oppose Amendment 3.
